

Cople Neighbourhood Plan Group

Minutes of meeting 3rd April 2017 at 20:00

Cople Village Hall

Present: Lesley Cole (Chair), Steve Halton (minutes), Ged Peeke, Del Armitage, Catherine Bayliss, Judith Howard.

Apologies: None

The following Call for Sites Site Assessments were discussed:

- Home Farm
- Dog Farm
- 8 Bedford Road
- 14-20 Northhill Road

DA took notes and will collate information gathered.

The GI Plan was discussed and how it could be distributed to village residents. GP has received a quote for £650 for 400 full-colour copies; this was considered too excessive by either the group or the Parish Council. Other options considered were:

- Reduce size to include only the key (aspirations) map and text.
- Could make an offer to print only for people who request a copy.
- Email copies to people who contributed to the GIP.
- The GI Plan is available to download via the web.

We need to apply for the rest of our funding from Locality (£4k) – this to include GI Plan printing/BRCC funding and printing costs for NP document.

Date of next meeting: TBC
