

## Cople Neighbourhood Plan Group

Minutes of meeting 12<sup>th</sup> May 2016 at 20:00

Cople Village Hall

Present: Lesley Cole (Chair), Steve Halton (minutes), Ged Peeke, Del Armitage, Catherine Bayliss, John Peck.

Apologies: Judith Howard.

- We discussed the possibility of single sites coming through during the duration of the NP development. **DA will speak to Sonia Gallagher at BBC** re; getting a particular view on the single site to be put forward in Water End as this may have implications of LC's presence on the NP Group. We need to know definitively if the owner of the site can remain a part of the Group. We also need to know if the plot proposed can form part of the NP.

Other things to be done:

- Evaluation of the feedback forms from the latest consultation.
- Need to identify our next steps.
- Need a logo for the NP Group (and maybe for Cople too).
- GIP – SH leading on this for the Group. **SH to liaise over workshop timings with Cliff Andrews.**
- Need to visit all sites listed in the Call for Sites very soon (ideally by mid to late June) so we can do the assessments. DA will lead on this but will need assistance with site visits – LC suggested 2 lots of 2 people to do this so someone can take photos/notes and a wider range of cross views can be obtained. Some sites may require a team of 3. SH to assist where a green space/ecological element is important. **DA to organise this.**
- Need to get the Five Bells and the school more involved, (LC and CB have met the school Head and she is keen to progress this).
- Need to analyse the survey return forms and put together questionnaire – BRCC to do questionnaire?
- We need to talk to both Willington and Cardington NP Groups to look at ways forward/joint working and invite to our next meeting on 6<sup>th</sup> June (SH has already invited Willington NP Group) and LC will invite Cardington.
- LC and CB to look at the returned questionnaires from the last consultation.
- Will invite Viv Kilgour to join the NP Group.

**DONM: Monday 6<sup>th</sup> June 2016 at 20:00 in the Village Hall. To be joint with Willington and Cardington NP Groups.**
